Denise Weiss is a Career Transition Coach with Ratliff & Taylor. With 25+ years of Human Resources experience, she enjoys working with all levels of transitioning professionals. She has a focus on HR strategy, policy and procedure and organizational effectiveness, recruitment, and employee compensation and benefits that she draws upon to guide job candidates through all aspects of their job search.

Denise was a member of the Senior Management Team at Kaufman Container in Cleveland where she ended her tenure as Vice President of Human Resources. Previous employments include NASA, BF Goodrich and independent consulting work. In 2022, Denise started Blue Sky Healing through which she runs her wellness practice.

Denise earned her associate degree from Cuyahoga Community College. She is also an ADP Certified Payroll Specialist and received a Supervision and Management Certificate from Kent State University. Denise enjoys volunteering with Westlake Meals on Wheels in her free time.
