Tracy Dickinson is a Senior Consultant with Ratliff & Taylor specializing in Career Transition counseling for all levels of clients. She leverages her HR experience in hiring and coaching to assist in developing career search action plans, personal branding, refining resumes, and strengthening LinkedIn profiles.

Tracy also supports the Executive Search team at Ratliff & Taylor helping to source candidates. She is an expert at the job search process as she has extensive experience with both sides of it as part of her work. She has particular skills with LinkedIn and has perfected and often teaches our LinkedIn Master Class.

Tracy has worked for Key Bank, Cleveland Clinic, Ernst & Young LLP, MetLife and Xerox in consulting, HR transformation, process improvement, and as an HR business partner supporting leaders and teams.

Tracy is a certified career consultant, holds a Masters in HR from Michigan State University and a BA from Miami University in Psychology.
