Summary

Bill Frankel is an Executive Coach with Ratliff & Taylor's Leadership Development practice, bringing over 25 years of experience consulting with organizations throughout the United States, including financial institutions, universities, manufacturing companies, hospital systems and Fortune 500 organizations. He has provided Leadership Development, Executive Coaching, Teambuilding and Transition Management programs for clients ranging in size from under 50 to over 50,000.

Mr. Frankel is a co-founder and principal of Be Well Solutions, a comprehensive workplace wellness company. He has developed and delivered programs nationally on Stress Management, Managing Work and Family, The Truth about Diet, Nutrition and Exercise, Relaxation, and dozens more. He has served as Executive Vice President and Director of Client Relations since 2007.

Bill is a counselor at Organization for Psychological Health. He works with individuals and couples on issues related to stress, relationships, anxiety, depression, grief, transition, work, work-life balance, and overcoming adversity.

He began his career at Behavior Management Associates, a psychological consulting practice and Employee Assistance Program doing business as IMPACT. Over his 15-year tenure, Mr. Frankel served as a therapist and had responsibilities from Director of Training and Organizational Development to Director of Corporate Services to Vice President. In his clinical practice, he specialized in stress, anxiety, grief, relationships and vocational counseling.

In his personal life, Bill has been married for over 30 years and has two grown boys. His passions include family, travel, cycling, fitness, and music.
