

# Executive Search Announcement

## Seeking an Executive Director

Ratliff & Taylor is pleased to partner with County of Summit Alcohol, Drug Addiction & Mental Health Services board to conduct the search for their new Executive Director.

## About County of Summit ADM Board

The County of Summit ADM Board is responsible for planning, funding, monitoring and evaluating treatment, prevention and support services for people who experience alcoholism, drug addiction and/or mental illness. The ADM Board does not provide any direct service, but contracts with local agencies to provide quality, affordable services for people at critical times in their lives. The ADM Board system of services provides opportunities for recovery and hope for a better life.

## About the Position

The Executive Director of the County of Summit ADM Board is a highly visible and significant leadership role in Summit County and in the communities of greater Akron. Working collaboratively with the Board of Directors, this \$45M agency of 20 employees provides a system of services that provides opportunities for recovery and hope for a better life. With well-resourced financials, the Agency's future vision and direction is to build upon its solid reputation and increase its visibility as a strong and impactful community partner. With a highly committed staff and positive relationships with providers, this is a unique opportunity for an innovative, compassionate and business savvy leader to drive the Agency forward and increase its presence in the community.

To submit your interest, please contact the Ratliff & Taylor team per the instructions in the Position Profile which you can [download here](#).
